## Meditations on Earth, Life and Dharma: >>

### Unselfishness

- Unselfishness is God.
- Selfishness is the devil incarnate in every man. Every bit of self, bit by bit, is devil. Take off self by one side and God enters by the other.
- Are you unselfish? That is the question. If you are, you will be perfect without reading a single religious book, without going into a single church or temple.

- The difference between God and the devil is in nothing except in unselfishness and selfishness.
- Truth, purity and unselfishness — wherever these are present, there is no power below or above the sun to crush the possessor thereof. Equipped with these, one individual is able to face the whole universe in opposition.

### [\(Sayings of Swami Vivekananda\)](#)

Preserve Nature,  
And Nature will preserve Us,  
Simplify Life,  
And help Nature thrive,  
Plant Trees,  
And make our planet Green.
